## ABOUT US

Chemotec is a manufacturer of liquid and powder cleaning products, serving the Janitorial, Industrial and Foodservice industries since 1955. We pride ourselves on providing high quality, innovative products supported with unequalled customer service, marketing tools and attention to our customer's needs.

Our product assortment includes floor care, cleaners and degreasers, disinfectants, odour control, window cleaners, carpet care, hand soaps, laundry detergents and a complete line for kitchen hygiene.

In 2005, we launched our Safeblend line of green cleaning products and we continue our commitment to making products that are environmentally preferable and sustainable.

All our products are available in our Safeblend, Chemotec and Resistol brands or in a private label program promoting your company's name, logo and complete line.

## ALL SAFEBLEND PRODUCTS ARE:

- Non-toxic
- Non-corrosive
- Biodegradable (OECD 301)
- Inorganic Phosphate Free
- Effective in cold water
- Made without ammonia, bleach or carcinogens
- Not regulated by Transport of Dangerous Goods (TDG)
- Reduce, Re-use and Recycle

## ABOUT SAFEBLEND

SAFEBLEND cleaning products are advanced cleaning solutions designed to offer a safer solution for the environment and for you. We believe cleaning should be safe for people and our planet. Our commitment is to use new and safer technologies to produce high performance cleaning solutions that respond to environmental, health and safety concerns. SAFEBLEND's products

are biodegradable according to OECD 301, and packaging contains post-consumer recycled content. Clean Safely with Safeblend!

## SAFEBLEND PACKAGING

- All of our containers are fully recyclable.
- Our green 4 L and 950 mL bottles are made with at least 25% post consumer waste.
- Our boxes contain at least 50% recycled fibre.
- Our labels use FDA approved vegetable based inks.

## ABOUT ECOLOGO

When selecting an ecolabel for cleaning products, you need more than a certification; you need a partner in sustainability. ECOLOGO® Certification delivers this compelling value better than the alternatives.

UL Environment's ECOLOGO Certification is based on multi-attribute, lifecycle based standards. All products certified to an ECOLOGO standard must meet or exceed each of the listed criteria before receiving the mark. ECOLOGO Certification is classified as an ISO (International Organization for Standardization) Type 1 ecolabel and has been successfully assessed by the Global Ecolabeling Network, further demonstrating its credibility.

<http://ulenvironment.com>

- Top Recognition and Acceptance**  
UL is recognized by 66% of consumers in North America. Its marks are on more than 22 billion products worldwide.
- Reputation Management**  
UL Environment and our services are backed by UL's nearly 120 year legacy of trust.
- Health Impact-Minded.**  
UL Environment ECOLOGO® standards offer both environmental leadership and human health and safety criteria that are scientifically developed, multi-stakeholder reviewed, and robustly vetted.

## PRIVATE LABEL

Choose between our brands or a private label program.

- EcoLogo certification
- Health Canada DIN, CFIA acceptance, Kosher certification
- High quality consistent products on time, every time
- Low minimum quantities required
- Friendly bilingual customer service and technical support
- Customized marketing materials available
- Graphic inhouse designer to help you create a label that best represents your company
- Our R & D Department can create new products for special requests and specific applications
- All private label products have personalized MSDS registered with a 24 hour emergency safety service

# FLOOR CARE

## FLOOR FINISHES

### SAFEBLEND 24

CODE: FC24

- ▼ Environmentally preferable floor finish
- ▼ Suitable for "green" floor-care programs
- ▼ Contains no zinc or heavy metals
- ▼ Suitable for high and low speed maintenance programs
- ▼ Easy to apply, maintain, repair and strip
- ▼ No strong odours
- ▼ Suitable for food plant use in Canada
- ▼ EcoLogo certified UL 2777

### RESISTOL GLOSS

CODE: REGL

- ▼ High gloss floor finish
- ▼ Superior protection for high traffic areas
- ▼ Responds well to high speed burnishing
- ▼ No yellowing or powdering
- ▼ Suitable for food plant use in Canada

### RESISTOL ZERO

CODE: REZE

- ▼ Low maintenance, very durable, floor finish
- ▼ High solids for superior protection
- ▼ No yellowing or powdering
- ▼ No restorer or buffing required
- ▼ Labour saving
- ▼ Suitable for food plant use in Canada

### RESISTOL 30

CODE: RE30

- ▼ 30% acrylic floor finish
- ▼ Excellent gloss, durability and reparability
- ▼ Great for high traffic areas
- ▼ Suitable for high and low speed maintenance programs
- ▼ Suitable for food plant use in Canada

### RESISTOL 25

CODE: RE25

- ▼ 25% acrylic floor finish
- ▼ Excellent gloss, durability and reparability
- ▼ Suitable for high and low speed maintenance programs
- ▼ Suitable for food plant use in Canada

### RESISTOL 18

CODE: RE18

- ▼ 18% acrylic floor finish
- ▼ Excellent gloss, durability and reparability
- ▼ Easy to apply
- ▼ Suitable for high and low speed maintenance programs
- ▼ Suitable for food plant use in Canada

**Safeblend and Resistol Floor Care** products are specially formulated to protect and maintain a variety of surfaces, keeping your floors looking like new and enhancing their natural colours. Our assortment of high performance products includes floor finish, sealers, strippers, maintainers, and detergents. Using Safeblend and Resistol products will help keep your facility looking clean and well maintained at all times.

Safeblend Floor Finish, Sealer, Stripper and Neutralizer are all EcoLogo certified UL2777 and all Safeblend EcoLogo certified hard surface cleaners are EcoLogo certified UL2759

# FLOOR CARE

## SEALERS

### SAFEBLEND 23 SEALER

CODE: FS23

- Environmentally preferable acrylic floor sealer
- Revitalizes old and porous floors, seals pores and leaves a smooth level surface
- Contains no zinc or heavy metals
- Low odour
- Suitable for food plant use in Canada
- EcoLogo certified UL 2777

### RESISTOL SEALER

CODE: RS19

- Acrylic floor sealer
- Revitalizes old and porous floors, seals pores and leaves a smooth level surface
- Excellent adhesion properties, ultra durable, slip resistant
- Reduces the quantity and cost of floor finish needed by using a Sealer first
- Low odour
- Suitable for food plant use in Canada

## STRIPPERS

### SAFEBLEND STRIPPER

CODE: FCSX

- Environmentally preferable concentrated floor stripper
- Quickly and easily penetrates and removes floor finish
- No added fragrance
- No harsh fumes
- Contains no ammonia or butyl
- Suitable for food plant use in Canada
- EcoLogo certified UL 2777

### BOOM FLOOR STRIPPER

CODE: BOOM

- Ultra Concentrated stripper
- Quickly & easily removes floor finish
- Reduces labour costs
- Easy to rinse formulation
- Pleasant lemon fragrance / no harsh odours
- Suitable for food plant use in Canada

### RESISTOL STRIPPER

CODE: STRI

- Concentrated stripper for waxed floors
- Dissolves floor finishes rapidly and effectively
- Easy to rinse
- Pleasant lemon fragrance
- Suitable for food plant use in Canada

### RESISTOL STRIPPER XF

CODE: STXF

- Super concentrated, fast acting stripper, Floor Finish Remover
- Labour saving, quick strip, easy to rinse
- Removes heavy wax build-up
- Pleasant lemon fragrance
- Suitable for food plant use in Canada

### RESISTOL GEL

CODE: STGE

- Fast acting, high performance gel stripper
- Removes floor finish from vertical surfaces and baseboards
- Pleasant lemon fragrance
- No harsh fumes
- Dissolves floor finishes rapidly and effectively
- Suitable for food plant use in Canada

## MAINTAINERS

### SAFEBLEND NEUTRALIZER

CODE: TCFL

- Concentrated neutralizer, calcium and salt remover
- Dissolves salt and calcium stains on floors and carpets
- Excellent for neutralizing cleaners and strippers before applying floor finish
- Mild, pleasant floral fragrance
- Suitable for food plant use in Canada
- EcoLogo certified UL 2777

### SAFEBLEND REJUVENATOR

CODE: FCRX

- Cleaner, restorer and maintainer
- Restores, rebuilds and maintains high gloss
- For daily cleaning & repairing
- Repairs scratches & scuff marks
- Use with mop & bucket or through an auto scrubber
- Pleasant fragrance
- Suitable for food plant use in Canada
