

TECHNICAL DATA SHEET

CODE : GCXX

Safeblend Oven & Gill Cleaner is formulated to quickly and safely clean hot plates, fryers, commercial ovens, grills and BBQs with or without Teflon coatings. It easily removes burnt on grease and carbon using an advanced non-corrosive technology.

DIRECTIONS FOR USE: For best results, dilute using the recommended dilutions. **Hot plates, Grills & BBQs:** Pre-heat surface to 180°F. Using 1:1 or, 64 oz/gallon apply cleaner liberally to surface. Let stand for 30-60 seconds to allow maximum penetration. Occasional use of a scrubbing pad will speed up cleaning. Wipe clean using a clean damp cloth, brush or scouring sponge. Rinse with potable water. Wipe dry. Apply a thin coat of cooking oil to prevent rusting. **Commercial Ovens:** Spray product undiluted to all surfaces to be cleaned. Let stand: the longer the wait period, the less scrubbing required. Scrub with scouring sponge or nylon scrubbing pad. Rinse with potable water. Wipe dry. **Deep Fryers:** Drain and wipe, removing all excess grease. Fill-up with water, to 10 cm from top. Using 1:40 to 1:20 or 3-6 oz/gallon, add Safeblend Oven & Grill Cleaner. Bring to boil and let soak for 30 minutes. Drain and rinse with water. Scrub and rinse as required while still hot. Rinse with potable water. Wipe dry.

NOTE: In order to conserve energy, please use unheated tap water for all dilutions. Rinse all food contact surfaces with potable water before reuse. Do not let product spoil food, feed or potable water during use. The amount of product used should not be in excess of that required to achieve its intended technical effect.

STORAGE: Keep in a tightly sealed container in a well-ventilated room. Do not store on surfaces that may come into contact food products. KEEP FROM FREEZING

PHYSICAL PROPERTIES:			
Boiling Point	212°F		
Specific Gravity (H2O = 1):	1.072 at 68°F		
% Volatile (w/w):	0		
Solubility in Water	Complete		
pH (as supplied)	11.5-12.0		
Physical State	Liquid		
Viscosity	< 100 cps at 77°F		
Appearance and Odor	Colourless liquid, Fragrance-free. Colour may vary due to natural source of our ingredients.		

GHS: Skin irritation category 2 Eye irritation catogory 2A
Toxicity: Non-toxic to humans and animals (LD50>0.144Oz/Lbs, LD50>0.003 Oz/ GALLON)
Non-toxic to aquatic life using recommended dilutions (LC50≥0.014 Oz/GALLON).
