Dear Mr. Foley:

**RE: Bio-Enzymatic Grease Digester and Deodorizing Cleaner /
Nettoyant Désodorisant Digesteur de Graisses Bio-Enzymatique**

This is further to our letter of May 29, 2018 in reference to your submission dated January 19, 2018, seeking our comments on the acceptability of the subject product for use as a cleaner/degreaser in food processing establishments.

Based on the information provided, we can advise that we see no reason to object to its use as proposed in food processing plants, provided that:

- a) There will be no contamination of food as a result of its use; and
- b) Equipment and surfaces subject to direct contact with food are thoroughly rinsed with potable water after treatment with the product.

We trust that the foregoing will be of use to you.

Yours truly,

MARINA VIVAS
