

# Bio-Enzymatic Grease Digester and Deodorizing Cleaner

Safeblend Bio-Enzymatic Grease Digester and Deodorizing Cleaner contains strains of 100% non-pathogenic natural bacteria and enzyme cultures designed to clean and neutralize soils and odours caused by organic matter. It digests, deodorizes and liquefies organic waste in bathrooms, septic tanks, grease traps, drains, garbage areas, carpets and most washable surfaces. Works to reduce slippery floors caused by grease by instantly cleaning the floor by removing surface soils, while enzymes penetrate deep into the pores to remove embedded organic waste.

Code : ECFL

- Concentrated multi-purpose formulation breaks down and destroys organic waste
- Excellent for eliminating organic stains and odours in bathrooms, carpets, septic tanks, grease traps and hard surfaces
- Enhances long-lasting cleaning effects by breaking down organic waste for an extended time after cleaning is complete
- No rinsing after mopping
- Floral fragrance
- Suitable for use in Food Plants in Canada

SAFEBLEND cleaning products are advanced cleaning solutions designed to offer a safer solution for the environment and for you. We believe cleaning should be safe for people and our planet.

Our commitment is to use new and safer technologies to produce high performance, affordable cleaning solutions that respond to environmental, health and safety concerns.
