CLEANER - DISINFECTANT - DETERGENT DEODORIZER - FUNGICIDE - MILDEWSTAT

This phosphate-free formulation is designed to provide effective cleaning, deodorizing, and to disinfect hard non-porous inanimate environmental surfaces such as floors, walls, metal surfaces, porcelain, glazed ceramic tile, plastic surfaces, bathtubs and cabinets.

This product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, toilet bowls, and other areas which are prone to odours caused by microorganisms.
